After much 'Pomp & Circumstance' Fowlerville Class of 2018 graduates

The Fowlerville High School Class of 2018 graduated this past Sunday, June 3. The Commencement Exercises took place at the competition gymnasium.

Over 200 seniors received their diplomas, including 199 from the high school and the rest from the Fowlerville On-Line Learning Academy.

The afternoon program began with the Senior Processional, with the high school band playing *Pomp and Circumstance*. This was followed by the singing of *The Star Spangled Banner* by the high school choir, a Welcome Address by Superintendent, Wayne Roedel, and the Presentation of the School Board by President, Mike Brown. High School Principal Bradford Lusk served as the master of ceremonies.

Fowlerville Varsity Baseball Team wins another district championship

Fowlerville’ Varsity Baseball Team got strong starting pitching from JT Maybee and Caden Flanery to win its fourth straight district championship. The games were played at Williamston last Saturday, June 2.

Flanery pitched a six-hitter, allowing one run and no walks

Handy Township to seek renewal of road millage in August Primary

Handy Township is seeking a renewal of its road millage in the upcoming August 7th Michigan Primary. The proposition seeks voter approval to levy one mill for another four years—starting with the Winter Taxes in December 2019 thru December 2022.

“There’s one year left with the current millage authorization, but there’s not any local elections scheduled for next year as far as we know,” said the township supervisor, Ed Alverson.

The road millage involves only property owners in Precincts 1 and 3. The tax is not levied on properties in the Village of Fowlerville (Precinct 2).

“The money from this millage is segregated in a road fund,” noted Alverson. “A hundred percent of the money is used for road projects and dust control.”

The recent 2018 Winter Taxes generated about \$175,000, with the dust control costing around \$25,000 to \$26,000 per application. “We typically do three applications a year,” said Alverson.

Recent, current, and future road projects in the township include:

--Repaving Sharpe Road from North Fowlerville east four-tenths of a mile at a cost of \$100,000. This was done two years ago.

--Repaving North Cemetery Road from Grand River to Sharpe Road this past May at a cost of \$175,000.

--Applying six inches of gravel, installing new culverts, and ditching on Van Orden Road for two miles from Nicholson Road to the Ingham County line. This project, which is now underway, is budgeted at \$92,000.

--Applying six inches of gravel and ditching on Converse Road from Nicholson Road to Stow Road. The cost will be \$63,000 and work is scheduled to start in July.

in a 6-1 victory over Haslett in the district championship game. Maybee was 2-for-4 with two RBIs in the game.

In the district semifinals, Fowlerville avenged a season-ending loss to Corunna from last year’s regionals by beating the Cavaliers, 2-1. Maybee pitched a five-hitter that contest and didn’t issue a walk. Sam Browne was 2-for-3 at the plate.

Haslett reached the title game by beating Owosso, 5-1.

Fowlerville is set to host DeWitt in the regional semifinals at 10 a.m. this Saturday (June 9). The other semi-final game will pit Goodrich against Jackson Parma Western at 12 noon. The championship is scheduled for 2 p.m.

The winner of this regional advances to the quarterfinals at Saline this Tuesday, June 12.

Thank you to all who have supported us in the past and who will continue to do so in the future. We wouldn't be who we are if it wasn't for you.

"ATHLETES" OF THE WEEK**

Jud Scott

Varsity Baseball

Trevor Miller - Senior infielder Trevor Miller is on fire at the plate this year for the Glads! Miller is hitting .500 in 86 at bats with 15 doubles and 35 runs batted in.

Sam Browne - Junior catcher Sam Browne has been the heart and soul of the Gladiator baseball team this year. Sam comes to the field every day with a mission to get better and battle for his teammates. Browne is hitting .468 on the year and is 3-0 on the mound.

Every week through the season two Fowlerville H.S. athletes will be saluted for their efforts. Athletes will be selected by the coaching staff and Athletic Dept. For that "Winning Deal" on a new or used car or truck, see Dick Scott Motor Mall.

**LESA gearing up for 17th annual
"Backpacks for Kids" Project**

The Livingston Educational Service Agency (Livingston ESA) is gearing up for the 17th annual "Backpacks for Kids" project. The goal of this project is to provide Livingston County students whose families are experiencing financial difficulties with basic school supplies at no cost.

Last year over 1,000 Livingston County students received backpacks filled with basic school supplies. Livingston County residents were very generous in their support of this project. Donations were received from individuals, local businesses and community groups.

We welcome donations for the 2018 LESA "Backpacks for Kids" project. You may drop off items or monetary donations at the Livingston Educational Service Agency (1425 W. Grand River, Howell) between the hours of 8:00 a.m. and 4:00 p.m. throughout the summer.

For a listing of collection sites, please visit our website at LivingstonESA.org and click on the Parent & Community Resources tab. If your organization is interested in becoming a collection site, please contact Judy Paulsen at judy paulsen@livingstonesa.org.

The distribution date is August 16 from 6-8 p.m. at the LESA Education Center. Our Connect for Kids event will run the same day, starting at 5:00 p.m.

For additional information, please call our Hot Line at (517) 540-6833.

Fowlerville Jr. High Boys 4x800 Relay Team breaks school record

The 4x800 relay team of Logan Steele, Zach Curd, Taiton Eastwood and Jack Shrader battled through the cold, heavy rain at the Lansing Catholic Quad Meet on May 21, 2018 to break the school record with a time of 9:31.6. The previous record of 9:37.01 was set in 2005. After missing the record last season by just 3 seconds, Logan Steele and Jack Shrader returned this year determined to break that record. Zach Curd and Taiton Eastwood were added to the team and all season the four of them worked on improving their 800m

Team members are, from left, Taiton Eastwood, Jack Shrader, Logan Steele, and Zach Curd.

BOYS TRACK RESULTS:

To wrap up the track season, ten of FJHS boys track athletes qualified and completed against the top athletes in the area at the Jr. Honor Roll Meet Thursday, May 31 in Okemos. The evening started well with Jack Shrader placing 8th in Long Jump leaping a personal best of 17'0" and Houston Schloemp clearing 9'6" matching his personal best placing 3rd in Pole vault. In the running events, the 4x800 relay team of Steele, Curd, Eastwood and Shrader placed 9th with a time of 9:42.42. In the 55m Hurdles Logan Steele 11th with a time of 9.63s. Cole Jones placed 2nd by just a couple hundredth of a second in the 100m with a time time of 11.85 but struck back winning the 200m dash with a **new school record time** of 23.58s. Congratulations Cole!!!

Taiton Eastwood ran a new personal record time of 2:17 to place 8th in the 800m run. The 4x100 relay team of Tomassi, Cox, Steele and Jones placed 10th with a time of 50.37s and the 4x200 team of Tomassi, Sherman, Cox and Bialobrzski placed 15th with a time of 1:49.55.

Congratulations to these athletes for earning the opportunity to participate in the Greater Lansing Honor Roll Meet. It showed how hard work, heart, and determination can pay off as you took to the track and proved not only to yourself, but everyone who has supported you throughout the season that you deserved to be among the top 16 athletes able to participate in your events. All of your coaches are proud of you for competing in a very tough field of runners.

GIRLS TRACK

Congratulations to Sarah

time. The team shaved nearly a minute off their time from the start of the season to reach their goal. Congratulations on the new school record and a successful Junior High track career.

Litz who ran the 55m hurdles in a 10.06. Madisyn Flamini, who ran the 55m hurdles in a 11.10 and the 200m hurdles in a 33.31. Leveesa Clark again had the opportunity to run in the 400m dash, and finally ended her 1:08 streak with a 1:06.26, and a very difficult 800m dash run. You three girls were given the opportunity of participating in the Greater Lansing Honor Roll Meet on Thursday night, and showed how hard work, heart, and determination can pay off, as you took to the track and proved not only to yourself, but everyone who has supported you throughout the season that you deserved to be among the top 16 girls able to participate in your events. All of your coaches are proud of you for competing in a very tough field of runners.

Another track season has come to a close, and it was a great season for all the girls. The girls all worked hard in practice, and it paid off during the meets. Having the 6th graders on the team is proving to be very beneficial, as their times continue to improve as 7th graders.

Coach Walsh, Coach Duke, Coach Maurer, and Coach Clemons are all proud of you girls and the accomplishments you made this season.

LOCKER CLEAN-OUT ANNOUNCEMENT TO STUDENTS

Lockers MUST be spotless inside and out in order to avoid a fine. Make sure that ALL pieces of paper, pens, pencils, books, folders and clothing are removed from your locker. All markings of pencil, pen, tape, stickers, and marker on the inside and out must also be removed. There will be supplies available to clean your locker, as well as carts to place books and reusable school supplies on (folders, binders, pens, pencils).

Lockers were assigned to EVERY student at the beginning of the year and whether it is your mess or not, you are responsible for the locker assigned to you, even if you didn't use it this year or you don't know your locker combination. You can check in the office for your locker and combination if you have forgotten it. We have to hire people to clean lockers and if they have to remove ANYTHING from your locker or wash anything, you will be assessed a fine. Lockers will be assessed at 11am on Wednesday, June 14th. Fines may be anywhere from \$1.00-\$10.00.

Everything you wanted to know about Celebrate Recovery & were afraid to ask

I have found from the personal observation of many people who attend CR that this program is God ordained and is transforming the lives of individuals from all walks of life. Just a couple of weeks ago, I heard a woman share her testimony of how CR has changed her life and gave her the courage to speak up and share with others about the amazing things that have happened to her since joining CR.

However, when I invite people to attend CR, the most common response is: “I don’t have a alcohol or drug problem.”

Most people, when they hear the word “recovery,” immediately associate it with ‘drugs’ and ‘alcohol.’ I hope I can clear up some misconceptions that people have about CR.

Myth: Celebrate Recovery is for people who suffer from alcohol and drug addiction only.

Fact: Celebrate Recovery is a program that uses the 12 steps of recovery and the 8 principles of the beatitudes to help people work through issues such as: overeating, compulsive spending, grief, anger, pride, jealousy, rage, co-dependency, depression, as well as chemical addiction etc.CR offers a person the opportunity to participate in a group fellowship where love and hope combine with God’s purpose to mend our lives.

Ask yourself:

- Are there things in my life that I do that hurt others?
- Is there something I wish I could live without?
- Is it time to crack my denial and admit I am not in control of my life?
- Do I have a painful habit or hang-up from which I need to be freed? If you answered “yes” to any of these statements then I urge you to attend a CR meeting to see if it is for you.

What is Recovery?

In physical health, recovery refers to the process of moving from illness to wellness. Our hurts, habits and hang-ups are like an illness and using the tools of CR we begin to move toward wholeness. Some might say from bondage to freedom in Christ. Others might say from self-reliance to faith in Christ.

How is this different from other 12 Step programs?

At CR our Higher Power is Jesus Christ and the Word of God is our authority. Our Step Study guidebooks refer to scripture references for instruction. Every Tuesday we begin by worshiping our Lord and Savior, Jesus Christ through music and prayer.

Who are the leaders of Celebrate Recovery?

The leaders of CR at Fowlerville UB are men and women who have gone through similar hurts, hang-ups, addictions, and harmful behaviors and have been through this or a similar recovery program. The leaders are not counselors and do not offer any professional clinical advice. If professional advice is required, referrals may be made.

What types of issues are dealt with at Celebrate Recovery?

A wide variety of hurts, hang-ups and harmful behaviors are represented at CR. Examples include dependency on alcohol or drugs, pornography, low self-esteem, need to control, depression, anger, co-dependency, fear of rejection, fear of abandonment, perfectionism, broken relationships, and abuse.

Is there a cost for Celebrate Recovery at Fowlerville UB?

CR does not charge for the ministry. Workbooks are utilized in some aspects of the program and are available at the Resource Table with prices marked.

How often does Celebrate Recovery meet?

CR meets every Tuesday evening come rain or shine. The meetings are designed so that a person may begin on the road to recovery at any time. You need not wait for a start date to begin your recovery.

How long does Celebrate Recovery last?

We meet on Tuesday nights from 6:00 to 9:00pm. Dinner is 6:00 to 7:00pm. Worship, teaching and testimony is 7:00 to 8:00pm, gender specific Open Groups from 8:00 to 9:00pm, and dessert fellowship in the Solid Rock Café from 9:00 to ?

A Step Study is a long-term commitment to the members of the group. It will typically take six to twelve months to complete the study. After completing the Step Study, we hope you will join with us as we minister to others dealing with

their hurts, habits and hang-ups.

Is there childcare available?

Yes, childcare is provided from 6:45 to 8:50pm, providing you call ahead (48hrs) to arrange it.

What if I can’t make it every week?

You are welcome to come when you can for worship, Large Group and Open Groups. However, if you join a Step Study, you are expected to come each week until you complete it. As with any endeavor, the more effort you put into CR, the more benefit you will gain.

Do I have to be a member of Fowlerville UB Church to attend?

No, CR is a ministry outreach for anyone who is interested in a Christ centered recovery program that will enable them to recover from life’s hurts, hang-ups habits and addictions. Many attendees are not members or do not attend Fowlerville UB Church.

What do you mean that Celebrate Recovery is a “safe place”?

We are diligent about confidentiality and anonymity – what you hear and who you see at CR stays here. The rules protect all of us from judgment and being “fixed”. In a “safe place” you can take off your “mask” and be real and honest without fear. You are 100% in control of when and how much you participate.

Do I have to share?

Absolutely not until you are ready. You can pass anytime you wish and for as long as it takes for you to become comfortable.

Do men and women meet together?

We all meet together for the Dinner and the Large Group meeting and then dismiss into the Open Groups, men with men and women with women. All Step Study meetings are gender specific.

What are Open Groups?

These groups meet Tuesday night from 8:00 to 9:00pm. You meet with fellow strugglers on a specific issue (chemical, codependency, abuse, sexual addictions to name a few.) You share your experience, strength and hope. Open Groups are gender specific.

Are there rules that are followed at Celebrate Recovery meetings?

Yes. To insure confidentiality and anonymity the following five Guidelines are followed at all times:

Rule 1 – Your sharing is focused on your own thoughts and feelings and is limited to 3 to 5 minutes.

Rule 2 – There is no cross talk. Cross talk is when two individuals engage in dialogue to the exclusion of others. Each person is free to express feelings without interruption.

Rule 3 - We are here to support one another. We will not attempt to “fix” another.

Rule 4 – Anonymity and confidentiality are essential requirements. What is shared in the group stays in the group.

Rule 5 – Offensive language has no place in a Christ-centered group.

What is a Step Study?

CR uses the Twelve Steps and Eight Principles as the biblical

model for living your life. A Step Study is a personal journey through each of these steps in community with a group led by a facilitator and co-facilitator who has completed a study. We use Celebrate Recovery’s four participants guidebooks. When you finish the study you will have worked your hurts, habits, and hang-ups through each step.

If you still have questions about CR, you may contact Pastor Tom at the Fowlerville UB Church. Phone: 517/223/9490.

Local student Tyler Adams named to honor roll at Lawrence Tech

Tyler Adams from Howell, has been named to the Dean’s Honor Roll for the Spring, 2018 semester at Lawrence Technological University. Tyler is majoring in Mechanical Engineering. To be named to the honor roll a student must maintain at least a 3.5 grade point average for the term.

All About Time Management

Today’s world is flying by faster than ever before in history. At least, that’s how it looks. I’m sure people in each era would say the same thing, but if we take a look at the pace of our world today compared to any other period, then it certainly seems like our lives are busier and crazier than any others. There is a never-ending list of things to do, and it often feels like we’re being physically pulled in many directions at the same time. It can take a toll as we try to determine how to successfully play ‘human Tetris’ with our schedules.

Life is demanding, and for whatever individual reasons, it never seems to let up. Even when you think you’re about to get a break from it all, something else pops up to fill the void. Sound familiar? That’s what seems to be the case for me anyway. It’s a constant cycle of busy activity.

And that’s not even a complaint. I love what I do, and I enjoy being busy and involved. But even if you enjoy what you do, the constant pull and rush can be a challenge to manage. Sometimes, you just can’t get to everything, no matter how much you would like.

That’s why it’s all about time management. I would say stress management plays a big role as well, but that is highly dependent on your management of time anyway. Whether or not our current time demands more from us than years gone by, there is still much to keep us active, so if we are to achieve success, then we must learn how to best deal with it. Discipline is key to this. It’s a matter of determining what is important and what is not and then prioritizing the former over the latter. That can sometimes be difficult to do since our brains don’t always want to work on what we know needs to be done. We make one excuse after another why it’s justified to put it off, but we’re just complicating the problem.

You’ll notice, though, I used the term “*prioritized*.” Utilizing good time management does not mean completely eliminating all fun or anything that could be considered ‘less important.’ In fact, completely eliminating those release valves would be considered *bad* time management since you would be beating yourself into the ground until you finally become burned out and quit altogether.

Rather, it is a matter of looking at your day and determining what needs to be done when and then doing your best to see it through. Sometimes, certain tasks won’t quite be finished when you would like, but that’s okay. It’s better to accept it and move on with patience. Perhaps you’ll find some innovative way the next day to get more tasks done in a shorter amount of time.

When we see our to-do list looming in front of us, we just have to dive into it. Once you start seeing things accomplished, you’ll feel more motivated to do the next chore, and you’ll start finding better organization for more efficiency. Learn how to control time rather than being dominated by whatever distractions happen to float your way. Do your best to manage what you have and learn to let go of what you can’t control.

Community-Wide Women’s Bible Studies Summer Sessions offered

Unglued: Making Wise Choices in the Midst of Raw Emotions, a 6-week video-based study by Lysa TerKeurst, is being offered this summer by Family Impact Centers. Filmed in Florence, Italy, and filled with personal examples and strong biblical teaching, Lysa shows us how we can process our emotions and resolve conflicts in ways that lead to a much more peaceful life.

Two different options are available for participants: Monday evenings from 6:00 – 7:30 starting on June 18th and ending July 30th and Wednesday mornings from 9:30 – 11:00 beginning on June 20 and ending August 1st. Classes will not be held during the week of July 4th. Location is the Family Impact Wellness Center at 9430 W. Grand River Ave., west of Fowlerville.

Cost for this class is \$18. This fee covers both the participant’s guide (for notetaking during the DVD’s and discussion times as well as for each week’s personal studies) and her 192-page book, also entitled Unglued, which will be referred to between sessions. Scholarships are available if needed.

To reserve your seat in this exciting and relevant Bible study, please call Barb at 517-223-4428 as soon as possible.

Fowlerville Class of 2018 graduates, continued

Caden Collins gave the Class Welcome, Hannah Brock and Hannah Kubiak offered the Sponsor Thank You, Rachel Zhang presented her Salutatorian Address, and Brittany Bush gave her Valedictorian Address.

Michaela Walker then introduced the guest speaker, Joshua York—a young man who, while attending Michigan State University, came up with the idea of creating and selling street-wear clothing and using some of the profits to help the homeless. He calls the endeavor the ‘York Project’ and operates his business in Metro Detroit.

The ceremony concluded with the presentation of the diplomas.

From left are the Class of 2018 Valedictorian, Brittany Bush, and the Salutatorian, Rachel Zhang.

Guest speaker at the graduation was Joshua York, a young business owner who uses part of his company's profits to assist the homeless in the Detroit area.

From left are Caden Collins, National Honor Society Treasurer; Hannah Brock, Class President and Vice President of National Honor Society; Michaela Walker, Class Treasurer and Miranda Prochnow, Events Planning.

Dance Express
2017-2018 announces
competition results

The Dance Express directors and instructors are proud to announce the final results of the competition season. Dance Express team members from Maria’s School of Dance have completed another competition season with impressive results. Dancers began learning their dances in September and rehearsed through the winter. The competition season wrapped up in April with dancers competing in Fowlerville, Troy, Hartland and Grand Rapids. Scores ranged from Gold to Platinum and dancers earned many overall top scores. During the competition season, dancers also compete for dance scholarships. Each dancer attends master classes and auditions for scholarships on both the local and national levels. Dance Express members celebrate their accomplishments with friends and family at their annual Spring Recital and end their season

with a trip to Cedar Point. Dance Express is a 501(c)3 nonprofit, allowing our members fundraising options to help cover expenses. Auditions for the upcoming season will be held Sunday, June 24, Contact the studio at (517) 223-0036 for more information. **Season Highlights:** EnerGy Dance: Miss Teen Energy Fowlerville – Rebekah Leonard Kids Artistic Review (Master Classes Only): Scholarships: Lydia Luark, Makenna Usher, Riley Zub Access Broadway: Scholarships: Morgan DeCare, Madison DeZess, Natalya Flores, Stephanie Krueger, Lauren Murray, Olivia Olthoff, Carissa Owens, Cherise Owens, Makenna Usher “Best Dance Studio Award” - Broadway Cup “Europe After the Rain” – Best Choreography/Broadway Star Award Dance Express welcomes all qualified dancers regardless of race, color, religion, national origin, or gender.

‘Fun in the Ville’ taking place this Saturday, June 16, at Centennial Park

The 3rd Annual ‘Fun in the Ville’ is taking place this Saturday, June 16, from 10 a.m. to 4 p.m. at the Centennial Park, located next to the Fowlerville Fire Hall.

A variety of activities and entertainment is being offered. Arts and crafts, along with home-based businesses will have their wares for sale. In addition, a bake sale by the Fowlerville United Methodist Church Mission Team is planned.

The very popular Dunk Tank will be back as well, with several local celebrities taking turns on the perch. All proceeds from the Dunk Tank will go to the Family Impact Center. The cost to toss is \$1 per ball or \$3 for 5 balls.

The event will also feature a Petting Zoo, Obstacle Course, Leap & Bounds Wipe Out, Connect Four, Day at the Derby, and Toy Town. Kids games will be put on by the Fowlerville United Brethren Church as well.

Ken Bielous, a local disc jockey, will be playing music throughout the day, while singer Kari Holmes will entertain from 11am to noon and then Bronsyn Sacker will sing from noon to 12:30.

New this year will be a Bike Raffle with one girl’s bicycle and one boy’s bicycle given away. There will also be free bike helmets given away while supplies last.

The Fowlerville Fire Department will be open during the event and welcomes visitors.

Admission to ‘Fun in the Ville’ is free and there is no charge for most of the activities.

“Fun in the Ville” is being put on by the Place Making

FINALLY - Straight talk About Sciatica

Are you suffering from back pain or sciatica? Then it's likely your biggest problem is pain. But there's another major problem: bad information. To end sciatica misery you must have the right information. Pay close attention because I'm going to destroy sciatica myths and give you the facts.

MYTH: Sciatica will just "go away" with some rest.

FACT: If you are dealing with back pain, buttock pain or leg pain, then you must seek help from a sciatica specialist immediately. Left untreated, sciatica can lead to permanent nerve damage - and lifelong pain.

MYTH: Pain is the only problem associated with sciatica.

FACT: In severe cases, sciatica can lead to the inability to control your bowels or bladder - leading to embarrassing situations.

MYTH: You must take pain medications to deal with sciatica.

FACT: Drugs like muscle relaxants, pain killers, narcotics, antidepressants, and anti-seizure medications have serious potential side-effects and do not cure the root cause of sciatica.

MYTH: "I must have done something wrong to get sciatica."

FACT: Physical work or simply sitting at a desk for long periods can lead to sciatica. Accidents and trauma can also

be the culprits. Pregnancy can cause sciatica. Sciatica can affect anyone - including super-fit celebrities like Tiger Woods, Sylvester Stallone, and British Olympic medalist Ian Wynne.

MYTH: Stop exercising and get several weeks of bed rest to overcome sciatica.

FACT: Staying active can help to relieve sciatic pain and prevent the pain getting worse. Staying inactive in bed could be the worst advice - based on a recent study in the Netherlands.

MYTH: Sciatica requires surgery.

FACT: NO! There's been a huge breakthrough in the treatment of sciatica and lower back pain. It's a new procedure called Non-Surgical Re-Constructive Spinal Care. The excellent results from this treatment have been published in major medical journals. Success rates are up to 90%.

MYTH: "There's nothing anyone can really do. I'm just stuck with this for the rest of my life."

FACT: With the correct treatment from a healthcare professional who specializes in sciatica, you can find relief from the core cause - and the symptoms.

MYTH: Getting Sciatica properly diagnosed is expensive.

FACT: Not true. Dr. Ann Pushies of Pushies Chiropractic in Williamston is currently offering an initial consultation

for just \$43.

Dr. Ann Pushies, D.C.
Spinal Disc Expert
in Williamston

Dr. Pushies is one of the greater Lansing's leading sciatica experts. Dr. Pushies has helped over 1,537 patients find relief from agonizing back pain and sciatica. She's one of the first professionals in the area to use Non-Surgical Re-Constructive Spinal Care.

This procedure does not require a hospital stay. The focus is on finding - and correcting - the original cause of the back pain and sciatica.

According to Dr. Pushies, "We use new diagnostic technology, not found elsewhere in the region, for precisely diagnosing the cause of your slipped disc. This means superior long-term results."

Almost Immediate Relief From Pain
Because the treatment is non-surgical, safe, and easy, most patients report an almost immediately relief from their back pain.

Patient Jeff P. from Williamston wrote, "My back pain was unbearable but the worst thing was the searing burning pain I felt in my buttock and leg... my wife insisted I see Dr. Pushies. I'm 95%

better in just a couple of weeks."

Take the Next Step - END the Suffering... Initial Consultation Just \$43

The first step is a thorough sciatica examination with Dr. Pushies at Pushies Chiropractic.

Call 655-517-8818 to schedule your appointment. Mention this article (CODE: LOS43) and Dr. Pushies will happily reduce her usual consultation fee of \$197 to just \$43!

Only 100 reader consultations are available at this exclusively discounted rate.

Call now and get a full and thorough examination to pinpoint the cause of your problem for just \$43. The normal cost of such an exam is \$197 so you will save \$154!

Call now at 517-655-8818 and cut out or tear off this valuable article and take it to your appointment. You'll be on your way to safe, lasting relief!

You can even call on the weekend and leave a message on their answering machine to secure your spot and they promise to return all calls. During the week staff can be very busy helping patients so if they don't pick up straight away, do leave a message.

Call 517-655-8818 NOW. If it's the weekend or they're away from the phone - they promise they will get back to you. So call now on 517-655-8818 and quote this special discount code: LOS43. **We follow all Federal Guidelines.**

Michigan House Report

By Dr. Hank Vaupel,
47th District

A measure to legalize the use of recreational marijuana in the state of Michigan will be on the November ballot state-wide given that the House took no action on the matter this past week. The proposal we were presented with lacks the controls and regulations needed to ensure responsible implementation. House leadership decided, given the poorly written nature of the proposal, it would be best to allow voters to decide the outcome, rather than to put it up for a legislative vote. I urge voters to give this matter careful consideration.

Last week, I attended the Detroit Regional Chamber Policy Conference where some of the most pressing issues were discussed in a bipartisan environment. Topics included economic investment and growth, rapid advances in the auto industry, infrastructure improvements, and the opioid epidemic, among others. It was a good opportunity to talk about real solutions and find ways to move forward on questions impacting people’s daily lives. I look forward to using this experience to continue working toward common sense results.

I was honored to be the master of ceremonies for the Run for the Impact 5K hosted by the Fowlerville Family Impact Center. The Impact Center offers a variety of services for those most in need throughout our local communities such as a food and clothing pantry, counseling, tutoring, and workshops. It was great to see the fantastic support showed by all who volunteered and participated in the run.

I would like to congratulate all the graduating students throughout the county on their significant achievement! You have worked hard to reach this milestone, and I wish you all the best for your future plans and careers. Have a great summer, and job well done!

Please join me for my June office hours on Friday, June 15 at the following times and locations:

- 2:30 to 3:30 p.m. at Fowlerville Farms, 941 S. Grand Ave. in Fowlerville;
- 4 to 5 p.m. at Biggby Coffee, 11325 W. Highland Road in Hartland; and
- 5:30 to 6:30 p.m. at All Star Coney Island, 934 Michigan Ave. in Howell.

I look forward to seeing you and hearing your thoughts!

If you have any ideas, comments or questions for my office, please do not hesitate to call us at 517-373-8835 or send an email to HankVaupel@house.mi.gov. We are happy to hear from you!

Friends of Williamston Parks brings Euchre to Red Cedar Jubilee

The Friends of Williamston Parks (FOWP) will host a euchre tournament on Thursday, June 21 in the Lions Club’s Food and Beverage Tent during Williamston’s Red Cedar Jubilee. Buy-in begins at 7 p.m. and play starts at 7:30 p.m. The cost is \$10 per person.

Food and beverages will be available for purchase from the Lions. The tournament will be located in the northwest corner of the tent. The event will feature a 50-50 drawing and other prizes. All proceeds will go toward funding a new playground at the Volunteers Community Park located at the corner of Putnam and School streets, next to The Commons.

The Friends of Williamston Parks began in 2015 to focus on park improvement efforts. For more information about the Friends of Williamston Parks or the euchre tournament, visit www.williamstonparks.org or e-mail williamstonparks@gmail.com.

Calvary Church of Webberville holding Vacation Bible School on June 18-22

A summer kids’ event called Shipwrecked VBS will be hosted at Calvary Church June 18-22. At Shipwrecked, kids discover that Jesus rescues them! Kids participate in memorable Bible-learning activities, sing catchy songs, play teamwork-building games, make and devour yummy treats, experience one-of-a-kind Bible adventures, collect Bible Memory Buddies to remind them of God’s love, and test out Sciency-Fun Gizmos they’ll take home and play with all summer long. Plus, kids will learn to look for evidence of God all around them through something called God Sightings. Each day concludes with the Sail Away Sendoff that gets everyone involved in living what they’ve learned.

Shipwrecked is for kids from age 4 to 5th grade and will be held from 9 AM -12:00 PM each day. For more information and online registration visit www.webbervillechurch.org or call Calvary Church at 517-521-4700. Calvary is located at 500 N Howard Street in Webberville. Letter to the Editor

In consideration of the Fowlerville Car and Bike Show beer tent: Cars and Beers are not synonymous for a “family friendly event to benefit the community” (Fowlerville Car Show organizing committee); and they are not conducive to your good health. “Family friendly”: Does that mean beer will be served to minors? Just anything harmful to make-a-buck.

Ryan Justin Schmuecker

Ryan Justin Schmuecker 42, of Fowlerville, MI died Sunday, May 27, 2018. He was born in Lansing, MI on July 2, 1975. Ryan was the husband to Kimberly Schmuecker 42, of Sparta, MI, and father to his three sons: Jackson Buege 19, Alex Schmuecker 8, and Grayson Schmuecker 6.

Ryan loved the outdoors. His passions were baseball, hunting, and fishing. He had an amazingly kind and gentle personality, with a perfect sense of humor. He was a very loyal person in all he did and to all who knew him in his work and everyday life. His work included twenty years at General Motors with his latter years being a wood designer at the Tech Center. Everyone who knew him knows how he loved to educate anyone he could at anytime and literally anywhere.

Survivors; in addition to his wife and children, include his mother Jamie Brown-Schmuecker and father, Terry Schmuecker of Lainsburg, MI; one brother, Jason Schmuecker and wife Stacey; nephew Brendon and niece Sydney.

Visitation was held Friday, June 1, 2018 at Herrmann Funeral Home, Fowlerville, MI from 2-4 pm and 6-8 pm. A church memorial service took place at Fowlerville UB on Saturday, June 2, 2018 at 11am.

In lieu of flowers the family asks that donations be made to: The family for future college fund's or to St. Jude's Children's Hospital. Please leave the family a condolence at pjherrmannfuneralhome.com

Margaret Khoury Donaldson

Margaret Khoury Donaldson (Marge) of Fowlerville passed away on Wednesday, June 6, in Howell, at the age of 95. Margaret was born in Detroit and lived in Fowlerville all of her married life. She was preceded in death by her husband, Howard Donaldson, and her two sisters, Victoria and Virginia. Karl Witt is busy renovating the former Ford dealership building in Downtown Fowlerville. The local businessman purchased the property in December of last year.

New owner busy restoring landmark building; will feature original exterior
Former Ford Dealership built in 1916

By Steve Horton

A landmark building in Downtown Fowlerville, erected in 1916 to house the Ford dealership, is being renovated and will feature its original brick exterior. This renovation is part of a much larger project planned for the overall site.

Karl Witt, a local businessman, purchased the property on the southwest corner of West Grand River and South Grand Avenue in December of last year from the Jon Smith Trust. It includes the building that housed the former dealership’s showroom and garage, a former Union 76 gas station to the east that includes a passageway connecting the two buildings and a former Gulf gas station on the west side.

“From what I’ve learned, the building with its distinctive hoop-shaped roof was designed by Henry Ford and was one of the first three that were put up in the country,” said Witt, adding that Roy Sprague owned the franchise at that time.

Other Ford dealerships, using the same design, sprung up in other, nearby communities and around the nation.

Witt added that for most of its 102-year-old history, the building continued to serve as a car dealership and repair facility and had several different owners.

An interruption to this continuity did occur for a few years during the 1960s when the dealership (then owned by Bruce Campbell and later Kurt Campbell) was re-located to a site on North Grand Avenue. That building now accommodates the Family Impact Center.

The reason for this move, that included building a new facility, was that the owners, along with the rest of the community, thought the new I-96 expressway would be routed north of town and that having the dealership near the interchange would be more advantageous.

The Ford automobiles returned to the Downtown in 1967 and remained there until Feb. 28, 2001 under the ownership of Bob Smith and then Jon Smith. On that date, the dealership (with new owners and re-named Fowlerville Ford) opened at its new, larger facility at the freeway interchange south of town.

One of the first things Witt did after his purchase was to remove the rough-sawn wood siding that had been put up many years ago by Bob Smith (who also owned and operated the gas station on the east side). That siding had been used to tie the three separate buildings and passageway together, giving it a uniform appearance. The long-ago remodeling included putting an overhang above the front entrance of the dealership.

His next step was to replace the damaged bricks that were uncovered. The problem he faced was that this style of brick is no longer manufactured, and he wanted a matching look. Witt solved the problem by using the bricks from an interior wall that separated the showroom from the garage.

At the same time he fixed the roof. “There were several leaks that we were unable to repair,” Witt said. “The new roof features a spray-on covering that’s highly efficient and reflects the sunlight.”

More recently, he’s begun sandblasting the exterior brick walls as a next step in their restoration. He also intends to replace the windows.

Coming up on the ‘to do’ list are a couple of larger undertakings. “I plan to remove the former gas station on the west side later this year and convert it into a parking lot,” he noted. “Next year I’ll remove the former gas station on the east side.”

The original building put up in 1916 is 68 feet wide by 128 feet long, a total of 8,704 square feet. Sometime afterwards an addition was built on the southwest corner that is 30 feet by 46 feet, a total of 1,380 square feet. Witt plans to keep that addition.

He’s also doing a variety of improvements to the interior

of the former dealership, including an upgrade to the electrical system. The building currently has two businesses that use the facility: Jeffrey Automotive is located in the garage area, while Granny Green Thumbs is housed in what was once the front showroom and office area. Ed Jeffrey, the owner of the auto repair shop, worked as a mechanic for Bob Smith Ford and then started his business on March 1, 2001, the day after the dealership closed.

All of this is an expensive undertaking. “My estimate is that it will cost around \$250,000 to renovate and upgrade the building,” Witt said.

In hopes of defraying some of the expense, Witt has joined with five other owners of buildings in Downtown Fowlerville to seek funding from the Michigan Strategic Fund Façade Restoration Initiative—a grant program offered by the Michigan Economic Development.

The actual application has been submitted by the Village’s Downtown Development Authority with the purpose of enhancing the character of the Downtown Business District. If approved, the DDA would administer the program. The grant request, based on criteria spelled out in the application, is for a total \$384,500.

While the current businesses will remain as occupants in the building, in the coming years Witt envisions a different use. “The interior, with its beams and historic brickwork, is very unique,” he pointed out. “In the future, when the community has grown more, I think it would be a great place to have a restaurant.”

Witt has a different aspiration for the area at the southwest corner of the Main Four Corners once he removes the former gas station and passageway.

“I’d like to eventually put up a three-story building,” he said. “It would have two commercial spaces on the first floor and apartments on the second and third floors. Since it would cost in excess of \$2 million, the question we’re looking at is whether there’s a market in Fowlerville for people wanting to live in this type of apartment and willing to pay the amount of rent needed to service the loan.”

Witt added that he told the people who designed the plans for this building to leave enough space for the Community Christmas Tree. “I want to make sure this tradition can continue at this location,” he said.

Witt joked that he seems to have a habit of buying former automotive dealerships. He is referring to the building where his business, KW Corporation, is located at 307 W. Grand River, a block west of the former Ford garage. That place, which also houses Pizza Box, was once-upon-a-time the Chevrolet-Oldsmobile dealership.

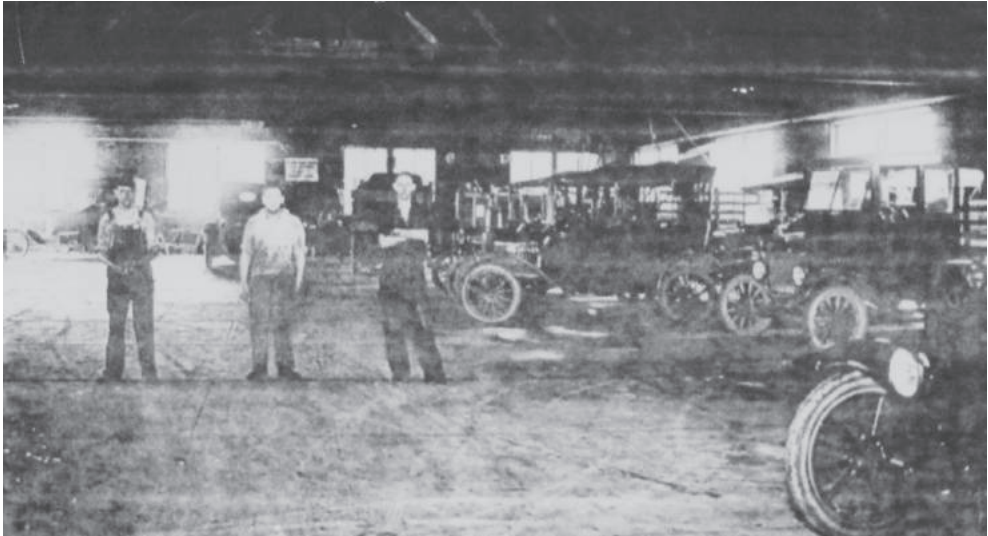

The still-young business owner—who says he is a ‘technology implementation contractor’—started the company in 2003, the same year he graduated from Fowlerville High School. During the ensuing 15 years since that start-up, his business of installing and then servicing computer information technology (both hardware and software) and security systems has grown to serve an international clientele.

“We work for major corporations at locations in the United States as well as in Canada and Mexico,” Witt said. “Our staff, which is headquartered in Fowlerville, varies from 35 to 45 people.”

Karl pointed out that he is part of the third generation of the Witt family to live in Fowlerville, adding that his grandfather,

The building, designed by Henry Ford, was put up in 1916. The local owner was Roy Sprague.

Here is a photograph of the Model T cars housed in the local Ford dealership during its early years of operation.

Karl, had a dairy farm on Lovejoy Road, north of town. An aerial photo of that farm hangs on his office wall.

Growing up in the community, he recalled that his father, Roy, would stop at the Union 76 gas station (owned by Bob Smith) and buy him a candy bar.

Such memories, coupled with a desire to preserve local history and also pursue a business opportunity, were what prompted his decision to buy the former Ford dealership. “I figured it needed to be fixed up, and it might as well be me that did it,” Witt said. “When I’m done with this project, I intend to do another one in the community. But I’m not wealthy. I have to make it work financially.”

“I love Fowlerville and want to try to improve it,” he added. “I love challenges and this is a challenge. It keeps me busy.”

Tom Breningstall Column

“TIME”

In ten years will I remember anything about today? That is, if I’m still living ten years from now. Time and age seem to slip away at an accelerated rate as I get older. I retired from my farrier practice (horseshoeing) over ten years ago, and I still remember working like it was last week. The years since then have passed without much notice from me; that is, until I stop and think about what has gone by.

It’s not just the last ten years, it’s twenty, thirty, forty, fifty, even sixty years ago that have gone by for me and those years are gone forever, never to return. Did I waste any of those years? I hope that I did not, for we get so few.

If you, the readers of my column, can recall any of my stories about growing up and living in Livingston County, Michigan all of my life, you will remember that I was always doing something to keep myself busy and entertained.

Well I still do that. It makes the time go by faster. “Oops, there’s the problem” is what I used to think. But now the speed of time passing is so fast that I can’t slow it down. I don’t actually want to stop time since that would mean death, but I sure would like to slow the pace down some.

How many times do you see someone that you haven’t seen in a long time, like five or ten or even longer and you think, “Wow do they look old”? I do this quite often. Well, you better hold that thought because I bet the other person is thinking the same thing about you. Don’t judge.

Remembering names has always been a problem for me, and it hasn’t gotten any better as I age. There are people I have known for years, but when I see them and talk to them their name is lost some place in the voids of my brain. I do eventually remember their names after I go through the alphabet a few times, but that could be hours later or as I’m talking to them.

On the other side of the coin, some people who I have only met once or twice before, I have no problem remembering their names when I see them again. I never could figure out how the mind works, or doesn’t work, in such cases.

I’m not as good of a talker as I once was. I find that I have to search around in my mind for the right words and that takes time, so I don’t talk as much as I did before.

I have tried to slow time down, but so far it hasn’t worked. You know the old saying, a watched pot never boils. Well, it does, too. I’ve tried it, The water boils as long as the heat is on.

Thank you for reading.

Free Fishing Weekend Is Here

With more than 3,000 miles of Great Lakes shoreline, 36,000 miles of rivers and over 11,000 inland lakes, Michigan is home to some of the world’s best fishing opportunities. No matter the season, fishing offers a great way to spend time outdoors in Michigan.

Did you know that Michigan has an annual free fishing weekend each summer? In an effort to increase awareness of Michigan’s great fishing, the state offers two weekends each year when residents and out-of-state visitors can get together and enjoy fishing – free of charge.

Michigan’s annual summer Free Fishing Weekend — held on June 9 and 10 this year — provides an opportunity to enjoy a special outing of fishing, either along the river or on the open water. All fishing license fees are waived for the two days, however, all fishing regulations still apply. Parking is also free at state parks and state boating access sites during the free fishing weekend.

You can find more information, including sponsored events, at www.michigan.gov/freefishing. And you can access the 2017-2018 Michigan Fishing Guide, as well as information on how to obtain a fishing license to enjoy Michigan’s great fishing options year-round, at www.michigan.gov/fishing.

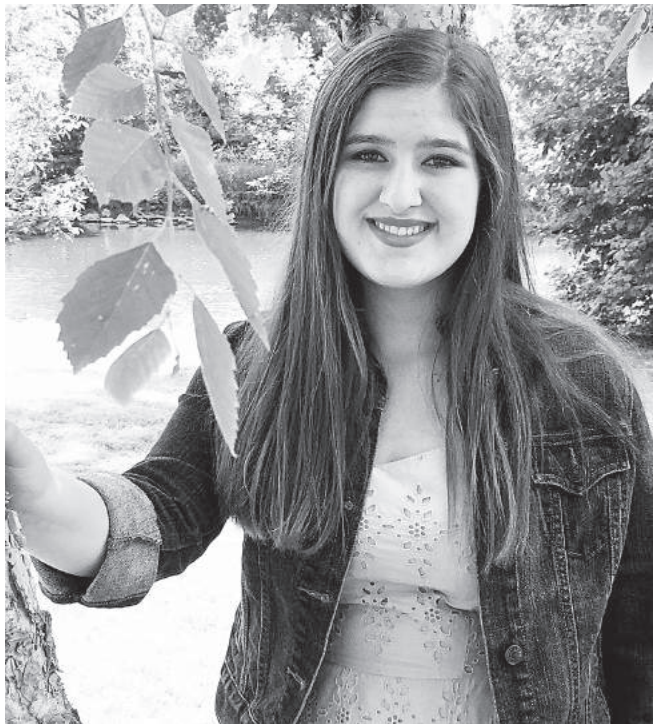

So be sure to get out there this weekend and enjoy the great fishing the Great Lakes State has to offer. We are blessed to have such great natural resources available for our enjoyment.

As always, if you have any questions or need information, please contact my office toll-free at 855-JOE-HUNE or email my office at SenJHune@senate.michigan.gov and my staff will be happy to assist you. My website, www.SenatorJoeHune.com, is also a good resource for information.

Student of the Week—Sarah Childs

Congratulations to this week’s Student of the Week: Sarah Childs! Sarah is the daughter of Doug and Liz Childs and has one older sister, Megan, who is 19 years old. She loves playing cards and hanging out with her family. Sarah is an astounding student at Fowlerville High School. Her schedule consisted of the following classes: AP Chemistry, AP Lit and Comp, BST, Zobot, Pre Calc, and Wind Ensemble. Her favorite class of the day is AP Literature because it is “challenging, small in size, and has a great group dynamic.” Sarah’s favorite teacher is Mr. Vlieg “because he is passionate about what he does, is easy going, and he makes music fun and applicable to daily life.” Sarah was nominated by multiple of her teachers past and present.

Mrs. Hardenbrook commented, “Sarah is one of the hardest working students I have ever had in AP Lit. She cares about her grades and peers and is just a joy to have in class. She also does a fantastic job in NHS by volunteering above and beyond what is asked of her.”

Mrs. Olszowy stated, “Sarah is an outstanding person who works hard in class.”

Mr. Vlieg commented, “Sarah involved herself in every element of the band program in her time at FHS. She is the epitome of an ambitious and dedicated learner!”

Along with Sarah’s extensive school schedule, she also participates in band (jazz), garden, loves to read, and volunteers. Her favorite thing about FHS is it’s a small school and she gets to know everyone. Being a senior, Sarah has had many memories that included band. The band trip to New York this past May, being a band freshman, at band senior night with the slip and slide at the park. She will miss the friends that she has made and

the relationships she has built in high school. Her one piece of advice to underclassmen is, “Do your homework, even if it isn’t required!”

alzheimer's association®

effective communication strategies

an education program by the alzheimer's association

Communication is more than just talking and listening - it's also about sending and receiving messages through attitude, tone of voice, facial expressions and body language. As people with Alzheimer's disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. Join us to explore how communication takes place when someone has Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you connect and communicate at each stage of the disease.

Hudson Mills Old Power Club holds annual show at local fairgrounds

The Hudson Mills Old Power Club held its 27th Annual show at the Fowlerville Fairgrounds on June 1-2-3. The event once again included tractors pulls, gas engine demonstrations, craft booths, and a flea market.

Walter Dabrowski, 12 years old and from Brighton, pulled in the 3600 class. He drove a John Deere 420 1958. This was his second year of competing. His dad, Kevin Dabrowski, is the secretary of the club.

Caden Mack was one of the crafters at the show. He makes and sells Pallet Art. Caden attends the Michigan Career Technical Institute and is studying cabinet making.

Blaine Smith of South Lyon, the oldest member of the group, is pictured above pulling.

Braedin Swoffer, age 12 of Deckerville, competed in the Antique Class and placed third in the 3600 at 57.25 inches. This was his first time of pulling a dead weight. He drove a 1937 Fordson that was made in England and owned by his grandfather, Roy Patterson of Brighton. Shown here are Braedin and Roy.

Darcy Sorensen of Fowlerville brought his 1926 2 HP Gas Engine Drag Saw that he had on display.

Saint Joseph Mercy Health System brings National Diabetes Prevention Program to Livingston County

Saint Joseph Mercy Health System is bringing the National Diabetes Prevention Program (NDPP) to Livingston County. The year-long NDPP will meet at two locations:

--Wednesdays from 10 a.m. to 11 a.m. beginning June 20, 2018. A preview session is scheduled for Wednesday, June 13 from 10 to 11 a.m. The program will be held at the First United Methodist in Howell, located at 1230 Bower Street, Room 10.

--Wednesdays from 2 to 3 p.m. beginning June 20, 2018. A preview session is scheduled for Wednesday, June 13 from 2 to 3 p.m. The program will be held at the Hamburg Senior Center, 10407 Merrill Road in Hamburg.

NDPP helps those at high risk for developing type 2 diabetes adopt and maintain a healthy lifestyle by eating right, increasing physical activity and losing a modest amount of weight. In a classroom setting, a trained lifestyle coach facilitates a small group of participants in learning about behavior changes over 16 one-hour sessions. Topics include healthier eating, getting started with physical activity, overcoming stress, staying motivated, and more. The group helps to motivate and encourage each other. After the initial 16 core sessions, participants meet monthly for additional support to help maintain their progress.

To qualify for NDPP, a person must be overweight and at high risk for developing diabetes, or overweight and have been diagnosed by a physician as someone with prediabetes.

One out of three adults lives with prediabetes, most of which are unaware of their condition. In Michigan, that is about 2.6 million adults. Livingston County has a total population of 187,316 individuals with a diabetes rate of 9.0%. However, type 2 diabetes can be prevented or delayed with a healthy lifestyle, as evidenced through the NDPP.

To participate in the NDPP, a person must be overweight and have prediabetes or be at high risk. Prediabetes is determined by one of the following blood test results:

- Fasting plasma glucose between 100-125 mg/d
- A1c between 5.7% and 6.4%
- 2-hour plasma glucose between 140 to 199 mg/dl

In addition, a combination of risk factors such as family history, being overweight or obese, gestational diabetes and inactivity may also put a person at risk and therefore make them eligible for the NDPP.

To register for NDPP or learn more about the program, please call Leigh Vogelsong at 517-545-5245 or visit www.stjoeshhealth.org/Livingston and select classes and events.

Attention All Caregivers: Workshop being offered at Family Impact Centers

Do you spend at least 10 hours per week helping a family member or friend with finances, emotional support, legal issues, physical care or activities of daily living? Participating in a Building Better Caregivers workshop can help you deal with the daily challenges.

By attending you can learn how to decrease stress, manage the difficult behaviors of the person you are caring for, take better care of your own health, get help you need from others and communicate better with everyone involved.

This 6-week workshop led by certified leaders will be held at the Family Impact Wellness Center (9430 W. Grand River just west of United Brethren Church) beginning on Monday, July 9 from 12:30 – 3:00 pm. There is no charge, but pre-registration is required.

Please call 517-223-4428 as soon as possible to register. The class will be limited to the first 16 participants who sign up.

Fowlerville Varsity Softball Team loses in district semi-finals to Owosso

Fowlerville's Varsity Softball Team finished an excellent season with a 19-10 after falling to Owosso, 6-2, in the district semi-finals played at Williamston last Saturday, June 2.

The Gladiators had cut a 4-0 deficit to 4-2 before allowing two runs in the bottom of the sixth inning. Owosso's Maegan Jodway pitched a five-hitter, striking out seven on route to the win.

The Trojans went on to defeat Corunna 8-4 in the finals. The Cavaliers, meanwhile, topped Haslett, 15-9, in the other semi-final game.

The Glads wrapped up a season that included a second-place finish in a tough CAAC White Division along with a berth to the Greater Lansing Sports Hall of Fame.

Cole Jones ties 100m school record; sets new school record in the 200m Dash

It's safe to say seventh grade track athlete Cole Jones had a very successful start to his track career. On May 9th at the home track meet against Waverly, Cole placed first in the 100m dash and tied the school record set by Paul Prinz in 1997 with a time of 11.5s.

Late in the season, Cole started running the open 200m and again had great success. In just his second time running the event, Cole broke the school record in the 200m dash on May 31, 2018 at the Greater Lansing Honor Roll Meet in Okemos.

"I really had to push myself because there was some tough competition," Cole stated about the race.

Cole placed first in the event in the school record time of 23.58s, breaking the previous record time of 24.22 set by Brad Reed in 2000. Cole stated it really didn't hit him until the next day but he was real happy to break the record and he is already excited about next year. Congratulations Cole!

Livingston Council for Youth celebrates inaugural issue of magazine

By Diane Duncan,
Livingston Council for Youth Coalition Coordinator
The Livingston Council for Youth is excited to release its first edition of the 'Youth Connections Magazine' to school parents, youth organizations and the community. The publication focuses on positive youth development and recognizes the value of community in helping young people thrive. We are all involved. We can all make a difference.

Each quarterly issue will provide information on hot topics for parents of adolescents and local resources for youth. In addition, each issue will highlight local youth doing great things in Livingston County, as well as local businesses and community members doing exceptional things to empower our youth.

Great things are happening here in Livingston County! The Livingston Council for Youth works collaboratively to develop community-level strategies that promote positive change and empower our kids to thrive.

To view the inaugural electronic edition of the 'Youth Connections Magazine,' please visit www.lcunitedway.org

The Livingston Council for Youth meets the third Friday of each month from 9:00 a.m. to 10:30 a.m. at the Livingston County United Way. For more information on the Livingston Council for Youth or if you would like to become a coalition member, please contact Coalition Coordinator, Diane Duncan at livingstoncouncil4youth@gmail.com
